Pictured above are the 1st year students on an outing to Carrwniskey Beach where they participated in surfing lessons organised by the Mayo Surf School. The trip was organised as part of an induction day in September for all incoming 1st year students at the College.

HEALTHY LIFESTYLE

Paul O'Brian a lifestyle coach gave a very interactive presentation to our 1st year students on exercise, food and health. The presentation focussed on the importance and benefits of regular exercise and explained why exercise & good nutritional habits are important for a balanced lifestyle.

MENTORS

At the beginning of the school year each first year pupil was assigned a fifth year student who befriends and takes a special interest in them. It is a help in initiating the first year students into a new school environment and gives first years a sense of security. This mentoring continues as necessary in second year.

Pictured are the First Year Boys Soccer Team who competed in the National Futsal Competition held in Castlebar recently.

The 1st year students were the first to enjoy the schools newly purchased recreational facilities. Watch out for the up-coming table-tennis and pool tournaments!!

PREFECTS

This year the school has decided to set up a prefect system in which a group of our transition year students have been chosen to act as role models and leaders for our junior classes. Two prefects have been assigned to each class from 1st year to TY.

Pictured are back row left to right; Kate Duffy, Louise O'Toole, Aoife Gibbons and Gary McHugh. Middle Row left to right; Darragh Connolly, Cathal Moran, Robert Maxwell, Orla McEvoy and Tomas Kelly. Front row left to right; Laura Kerrigan, Orla McHugh, Emma O'Malley and Jack Lewis.

STUDY SKILLS WORKSHOP

A very informative study skills workshop was provided for all Leaving Certificate students and an information evening was also provided for all parents. We hope they will benefit from this as they prepare for their examinations in June.

INTERNATIONAL DAY

On December 14th Sancta Maria Collage played host to a very successful international day where international students get the opportunity to represent their country

OUR SCHOOLS GOT TALENT

At the beginning of the year the TY students hosted a talent competition as a fundraiser in aid of the Special Olympics. We sent forward four acts to the first heat in the T.F Royal Theatre in Castlebar. A 2nd year band called Driftwood comprising of Aimee Walsh, Brendan McGuinness, Jenny Ferson and Jack McEvoy have qualified for the Regional Finals of the competition which will be staged in early spring 2011. Well done to all involved!

CAKE SALE

The prefects held a cake sale to raise money for the Special Olympics. The money was used to buy votes for our acts in our Schools Got Talent. All money raised is forwarded to Special Olympics Ireland. In total we raised upwards of €1,000.

IRISH CLUB

This year Sancta Maria Collage has decided to start an Irish club, the aim of which is to enhance students oral Irish, in particular for the leaving cert students as 40% of the leaving certificate exam in 2012 will be allowed for oral Irish. Sincere thanks to our Irish teachers for facilitating this club.

CHESS AND CARD CLUBS

The successful chess club returns again this year. It is held in room 11 each Friday during lunchtimes. All players are welcome from novice to advanced. Also this year the school has introduced a 25 card club which is held on a Thursday at lunchtime in room 11. We'd like to extend a big thanks to Mr. Freeman and Ms. Donnelly for organising and supervising these clubs.

FUN RUN

Ms. McDermott organised a 'Christmas Relay Fun Run' this year in which teams comprised of two junior students and two senior students ran a total of 8 kms between them (2kms each of the Bunowen Loop!). Two teams of teachers also participated. The relay took place on Friday the 17th of December.

DANCING AT LUGHNASA

Recently the Leaving Certificate students travelled to the Town Hall Theatre in Galway to watch Brian Friel's play 'Dancing At Lughnasa'. This will benefit them in their Leaving Cert as the play is part of their English studies.

GREEN SCHOOL PROJECT

We are continuing to achieve great success on saving energy in our school and we hope to raise our second green flag in the spring time.

As part of our campaign to encourage all students to be litter-aware at all times, the Green Committee organised a "Bin Rubbish" concert before Christmas. The concert raised funds to improve our litter and waste management in and around the school. Students from various classes participated in the concert.

After participating in the WEEE battery project Sancta Maria Collage was awarded one of three prizes in the province. Pictured below are the Green School Team who were presented with 3 computers for the school.

THE PARENTS ASSOCIATION

The Parents Association is a way of representing the parents in the dealings of the school. Representatives are elected by other parents and meet around once a month. They are involved in activities such as fundraising for the school and supervising at events. They provide a link between the school and the parents. The current Chairperson of the council is Mrs. Carmel Groden. The Secretary is Mrs. Ann Lally and the Treasurer is Mrs. Maureen Scott.

CHRISTMAS TREATS MORNING

On 21st of December, the Student Council held a Christmas treats sale at the 11a.m. break. These treats consisted of mince pies as well as other delicious Christmas favourites. Tea, coffee and festive homemade hot chocolate were also served.

STUDENT COUNCIL

The Student Council began the year by electing a representative from each class. The Council meets once a week to discuss matters that may have arisen. The student council acts as a voice for the students in their school, by bringing their intentions to the attention of the staff. It strives to make school life easier for the students by taking their opinions into consideration when discussing school matters.

SCHOOL MUSICAL

Preparations are in full swing for this year's School Musical 'Little Shop of Horrors' which will be staged in early February 2011. The principal cast members have been selected following a number of auditions.

REMEMBRANCE TREE

This year the school had a November Remembrance Tree. The month of November can be a difficult time for many students and staff alike who have experienced the death of a loved one. November is a month when even Mother Nature appears to be touched by the cold hand of death. When we look around we find that the trees are gradually losing all their leaves and the evenings are becoming darker. A Remembrance Tree can act as an effective symbol for addressing the issue of personal grief. For this reason we placed a Remembrance Tree in the circulating area. Students and staff were invited to write the names of any loved ones that have passed on, onto a piece of paper and place them on the tree. We did this to encourage everyone to pray for these people and ensure they would never be forgotten and live on in our hearts.

CONDOLENCES

We extend sympathy to those of our school community who have been bereaved this year. May 2011 be good to all of us.

PERSONAL DEVELOPMENT

On 12th October first years enjoyed a "positive relationships" work shop. This highlighted the importance of respect for each person and the effects of bullying.

On 12th November second years were treated to a friendship building workshop. The emphasis here was on building self esteem and self confidence.

On 15th December Leaving Certs had a de-stressing afternoon. They enjoyed salsa dancing and different techniques to help relax. We are very grateful to Catherine Mc Cluskey and Mary Jo McHugh who ran first and second year workshops and to Marie McHale Louisburgh Community Project for her help with the de-stressing workshop.

RETREATS

Second years enjoyed a pleasant and worthwhile day in Ballintubber. Here they were taken through a programme dealing with their relationship with themselves and God. Later in the year Transition years will attend Esker retreat centre. Retreats are also planned for fifth and leaving certificate students.

CAROL SERVICE

On 21st December a carol service took place in the parish church attended by all the school community as part of our spiritual preparation for Christmas.

SPIRITUAL EVENTS

In late September we had the opening of our new school year mass. Our mission statement was blessed by our parish priest. In early December a number of students took part in the traditional Concern fast. We commend them for their concern for the third world.

HSCCL

Sr. Marie King as home school community links person would like to thank all the parents who welcomed her into their homes. The exchange of information on the educational aspect of their son/daughter life is very valuable and worthwhile. She looks forward to meeting more parents in the New Year. Here in Sancta Maria College we strongly encourage parents to work in partnership with the school for the welfare of all our students.

CHRISTMAS WISHES

Thank you for taking the time to read our Christmas newsletter. I am sure you agree that the wide variety of activities both academic and extra-curricular is very evident. Thanks to staff and students who provide the energy and enthusiasm to take part in so many worthwhile activities.

We welcome new members of the Board of Management, Parents Association and Student Council who already have provided valuable support and ideas to the school community.

This term proved difficult from a weather point of view. I take this opportunity to thank all of you for your patience. I also wish to thank the bus drivers who were flexible as it allowed us to start at a later time in order to ensure the safety of all. We had over 90% attendance daily during that time.

Thanks to those who helped compile this newsletter especially our Transition Years Robert, Jack, Laura and Kate who compiled a large quantity of this newsletter. Well done to all. Wishing you all a happy and peaceful Christmas season.
